

Fundraisers at The Limerick Pub

- Fundraisers at the pub are a fun and effective way of raising money for your organization
- They can be held any time of year
- They run all hours the pub is open; participants can come in any time of day or night
- It's easy to run; you give participants a form and they give it to their server along with their receipt when they pay their bill, or you can turn in everything later
- We will create the form for you
- We will send you a check for 10% of the total receipts (pre-tax)
